

# Alexander Waddell

Lead Developer · Architect · Mentor

Newcastle, United Kingdom

## PROFILE

Lead Developer with 6+ years delivering production software for agencies and SMEs. I specialise in JavaScript/TypeScript, React, Next.js, and Node.js, building scalable web apps, CRMs, and high-converting marketing sites from discovery through launch.

## EXPERIENCE

### Lead Developer

May 2023 — Current

Layers Studio · Gateshead, United Kingdom

- Own technical planning and delivery of complex web applications from scoping to release.
- Ship full-stack solutions across multiple concurrent client projects using modern JS/TS stacks.
- Lead technical interviews and client discovery sessions to shape clear, feasible project scopes.

React TypeScript Next.js

### Senior Software Engineer

Feb 2022 — Apr 2023

Boxmodel · Newcastle, United Kingdom

- Delivered full-stack features across a broad portfolio of client products and websites.
- Supported technical planning for complex builds, balancing scope, quality, and delivery timelines.

JavaScript TypeScript React

### Director / Lead Front-end Developer

Sep 2019 — Feb 2022

Coastline Software · Sunderland, United Kingdom

- Co-led delivery of websites, web applications, and mobile apps for a diverse client base.
- Owned front-end architecture and implementation across commercial projects from concept to launch.

JavaScript TypeScript React

## EDUCATION
